**DOWN THE DRAIN** . . . Coffee County Sheriff Brice Paul and ABC agents, Bobby Davis and Roy Sylvester, pour illegal whiskey - "Moonshine" - down the drain near the courthouse. The moonshine was found in a stash Thursday morning off the Taylor Mill Road, and the agents report the bottles were covered by pine straw.

The bottles, which included three 1-gallon jugs and one 5-gallon jug, were located after a tip was received by the Sheriff's Department, and the case is still under investigation. Agent Davis stated he originally planned to leave the jugs and stake out the area, but a truck was seen approaching the site, and the bottles were confiscated.

## Parking Rules Again Changed By Elba City Council Action

Parking was again the opening and closing topic of discussion Tuesday night as the Elba City Council met to conduct city business. The discussion opened with some confusion as to the exact meaning of the approved motion at the last meeting on where controlled parking would be located. The outcome was a motion by Councilman Cleo Hawkins to enforce two-hour parking in all areas where parking meters were, and where meters had been taken up due to malfunction of meter or post. The areas on the square that had been used as unrestricted parking will continue as such. The action is effective immediately. Voting against the motion was Councilman Jimmy Wise.

The Council discussed hospital insurance and decided to stay with Liberty National due to the cheaper

cost, but to continue looking for lower cost insurance, after Policeman James Spurlin pointed out the cost was more than he could get the same coverage for, without the group policy. Councilman Charles Kennett, a former insurance executive, pointed out that no policy could offer the same coverage for half-price.

The possibility that the Seaboard Coastline may close the Elba rail line was reported to the Council again, but also the fact that no opposing action can take place until formal application has been filed.

Mowing the grass at the cemetery was discussed, and an offer to keep the cemetery for \$750 a month was not acted on by the Council, but CETA workers will be hired and a mower

purchased.

Street work on Elm Street was promised . . . again to an area resident. Cutting a drainage ditch along Highland Drive caused a heated discussion, but a decision was reached to work out the problems and cut the ditch.

A grant of \$303,000 for two years will possibly be received, according to information reported to the Council. It is a form of the CETA program and will be to train "operators and mechanics" for the hydroplant.

Mrs. Frances Trammell requested and received approval of a resolution authorizing approval for the mayor to sign future required papers concerning Community Development projects.

Frank Sawyer, right, former mayor of New Brockton, was honored recently with a special plaque and a delicious meal for his years of devoted service to the City of New Brockton. On hand for the special event were New Brockton

city officials and their wives. Shown presenting the engraved plaque to Sawyer is Mayor L.A. Adkinson, who was appointed to fill the unexpired term after Sawyer resigned for personal

reasons. Sawyer is proud to point out that, during the years he served, many improvements took place, and that the town is debt-free.

## Assessor To Collect Additional Tax On Coffee County Car Tags

The Coffee County Commission met in regular session on Monday, April 14, at the courthouse in Enterprise, with all members present. Present were Commissioners Rex Boutwell, Jack Hornsby, Gilmer Grant, Bennie Beckham, Max J. Reeves and Don Smith, along with Probate Judge James L. Sawyer, Clerk Brunese Winston, Engineer Leslie Mullins and Asst. Engineer Tim Hornsby.

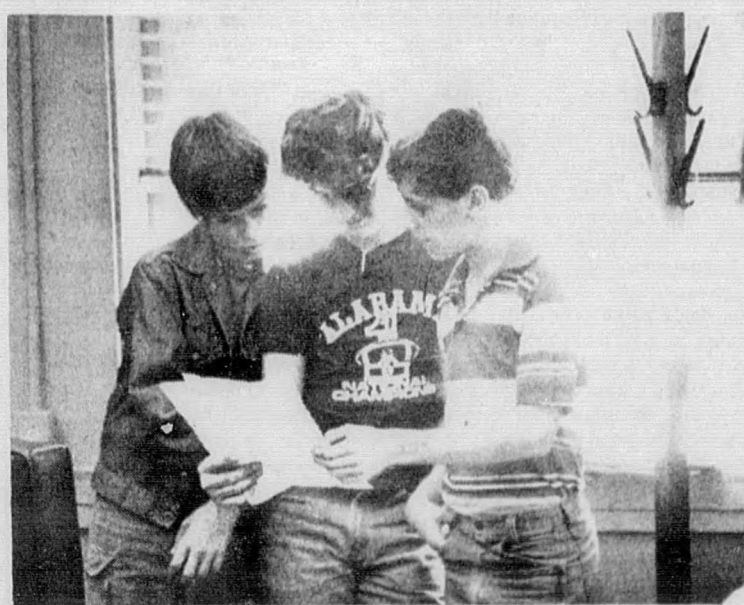

The meeting's initial visitor was Tax Assessor Mack McKinney, who stated, "I am the most experienced tax assessor in the state! I have had to change my entire bookkeeping records a total of three times, and I know how it's done. It is up to me to collect taxes on cars not collected last year, but I feel the people of the county understand my problem and will come back and pay the additional tax. I expect at least 75% of the people to pay, and I feel good. I hope to get most of the money back in."

"It won't amount to much money," added McKinney, "and an example is that on a \$6,000 car you'll only owe an extra \$6. I expect the response to be good, but if it's not, we will mail out reminders."

Before leaving, McKinney asked the Commission for permission to hire a CETA employee when her program expires in October. The Commission promised to look at the budget and give the matter some consideration.

Mr. Wayne Smith told the Commission, "I have a problem, and it's to the point I don't know what to do. There is water coming across a county road onto my farm and I have 12 acres that are ruined! A ditch is needed on the other side of the road, but the landowner won't allow a ditch to be dug. Meanwhile, the water comes across the road and washes my seed and fertilizer away. I want help to get the water off me!"

The Commission discussed the problem, and discovered the other landowner insisted the road was on his property, while Mr. Smith stated his

Civics students observe meeting during afternoon session.

family gave land to build the road. After a lengthy discussion, Mr. Smith agreed to have the road surveyed (sharing the cost with the other landowner), and report its findings to the Commission.

In other action at Monday's meeting, the Commission:

\*\*\*Read a letter from the State Board of Corrections which stated the county jail was in "fair" shape, and commended the Commission and the sheriff for work done to improve the facility. The report stated the kitchen was in "poor" shape, and noted unnecessary items in the cells, such as appliances and extension cords;

\*\*\*A letter from LEPA informed the Commission their request for help in the jail situation had been turned down;

\*\*\*Heard Commission Clerk Brunese Winston state a new accounting system will be adopted statewide, and authorized her request to get special aid;

\*\*\*Heard a request for much needed roadwork in the Pineview Village subdivision;

\*\*\*In a letter from the Department of Public Health, the Commission was instructed to cover the old landfill site with 2 feet of dirt;

\*\*\*Took no action on a request by Judge Sawyer to raise the salary for voting booth custodians.

\*\*\*Heard County Engineer Leslie Mullins report he had written new specifications for water authorities to use when installing pipe across roadway;

\*\*\*Agreed to provide pipe for a man so the state would widen a driveway used by a school bus to turn around;

\*\*\*Approved sending Asst. Engineer Tim Hornsby to a two-day clinic on April 30 - May 1, in Montgomery;

\*\*\*Was told \$11,030.20 in profit was received last weekend at the auction to get rid of old county equipment;

\*\*\*Accepted a \$347 proposal from Superior Roofing to fix a leaky roof at the Farm Center;

\*\*\*Questioned Sheriff Brice Paul about some unusually high bills charged to his office.

## Flood Control Meeting Set Tonight

A public workshop will be held tonight (Thursday) gathering information on flood control, hydro-power and navigation on tributaries of the Choctawhatchee River and tributaries such as the Pea River. The workshop is under the direction of the U.S. Army Engineers of Mobile. It will be held at 7 p.m. in the Elba Elementary School cafeteria.

According to information released by Robert H. Ryan, District Engineer for the Corps, "the study will examine safety of the levees and to alleviate other flood problems; the environmental consequences of various solutions to

these problems, the social effects of both doing and not doing something about the problems; and the desires of flood plain residents and other people."

This is part of a lengthy study that is scheduled for completion in 1983.

## Band Day To Pay For New Uniforms

The Elba High School Band Boosters Association will be sponsoring their annual "Band Day" festivities on Saturday, April 26th, at the high school gym. This year's band day will be filled with many exciting activities and promises to be the best ever. Some of the day's activities include: the annual barbeque, cake sale, band performances, dunking machine, four prize drawings, bingo, radio coverage from WELB; and the day concludes with a variety show at 7:00 p.m.

This year's band day goal is \$8,000. The money will be used to purchase new uniforms for the "Marching Tigers." According to band director, Steve Thompson, "We hope to have the best looking band this fall, and with our new uniforms I think we will." Thompson went on to say, "The band parents and students are working diligently to make this year's band day a big success. However, we can't do it without the help from the citizens of Elba. The people of Elba have always been supportive of this fine band in the past and I hope they will join us in making this the best band day we've ever had."

## County Schools Announce Dates For Registration

Mr. John W. Vaughan, superintendent, announces pre-school and first-grade registration for the 1980-81 school year for all Coffee County schools. Dates for individual schools are as follows:

Kinston - April 17, 1980  
New Brockton - April 29, 1980  
New Hope - April 30, 1980  
Goodman - May 1, 1980  
Zion Chapel - May 2, 1980

## BRAINSTORMS

WITH FERRIN COX

The debate over the Moscow Olympic boycott continues. The action over the weekend by the U.S. committee officially thumbing their nose at the games was expected after the strong statements by President Carter. Now several other major nations have indicated they, too, will forego the summer games. There has been at least one member of the International Olympic Committee saying that if enough countries refuse to attend, then the summer Moscow games would be canceled. We hate to see politics get into sports, but it is there and we, too, thumb our nose at the actions of the Russians.

Following is the meeting of the U.S. Olympic Committee, we were struck with the large number of folks on the committee. We would have thought fifty delegates was a bunch to be spending "expense money" so desperately needed by aspiring athletes; but to see hundreds of folks taking part in the weekend events left this writer a bit confused to say the least.

It appears the Alabama House and Senate are just sparring around and getting everything ready for the special legislative sessions to pass the budgets and other necessary legislation. Thus far, they are not making much headway in getting a major bill through both the House and the Senate... when one group approves the bill, the other turns it down.

The Alabama Education budget is right in the middle of this bottleneck of the legislature. Our own representative, Jimmy Holley, introduced a substitute education bill, got some attention, some flack, and even got featured in one editorial cartoon. This week, however, he seems to be getting shot down as a substitute of his substitute surfaced on the House floor. At press time, however, none had come close to coming to a final vote.

We don't know where the county stands with their jail committee now that LEPA has turned down the request for a grant to pay someone to oversee the committee work and do the actual leg work for the unofficial group. We have not paid very much attention to the appointments nor the meetings as any decision, good or bad, will still be limited by the Alabama Constitution and political realities of Coffee County.

We apologize to our subscribers in the Jack area over the often delay-until-Friday in getting their paper. Each time we have known of this delay in recent months, it has been traced to the Elba Post Office. Each time we ask why, we are assured it has been straightened out; but alas, it happened again last week. Friday we were assured the responsible person had had a "good understanding" of his responsibility. We hope so, thank our readers for their patience and urge you to call us if you have any more problems.

Hospital Administrator Jim Nichols called the Clipper office real excited on Wednesday morning. He had just been informed of formal government approval of the FHA loan of \$1,943,000 to expand the hospital and nursing home. We are sure he would like not to sit back and relax, but actually the work is just about to get started!

Last week we mentioned the big one that got away. Well, it has continued to bug us, and Monday, after going to our tax man, getting the sad word, making a couple of unproductive sales calls, and noticing that I "just happened" to have my rod and reel in the truck - ye ole editor couldn't resist the temptation to turn off the road and drop over that little hill and give the big one one more chance. (After all, it was after 5 p.m.) Well, after a while, I moved around and accidentally caught the larger of the two crappie you see below. Since I had tried the bass for 30 minutes without success, I quickly got a lighter reel and rod I "happened" to have in the truck and went to fishing for the fish that is trash to a bass fisherman but good food to others. These two larger fish tipped the scales at 2 1/2 pounds and 2 pounds, and if you forget I was after bass, these two and the others made it a successful trip, dress pants, sport coat and all.

## THE PRESSBOX

By: Ricky Mulatz

Sports Editor

Softball season comes to town this weekend when the Elba Jaycees hold their first annual men's softball tournament. A strong field is entered, with teams coming from Opp, Andalusia, Troy, Brundage, Enterprise, Ft. Rucker and Mobile. Some Elba teams are entered to provide local interest, and I think all of Elba's teams have good shots at winning trophies!

Come on out and watch some games - it should be a very good turnout.

I know a lot of you have pictures made at local bait shops with fish and turkeys, and then buy a paper to see it, and it's not in the issue. Well, some weeks we simply don't have space to use the pictures, and since we can save them, we do. However, if the picture is of good quality, I promise you we'll get it in. So, keep on watching.

I went to Elba's baseball game on Monday and didn't exactly bring them good luck! When I got there, Elba was behind 3-0, but when I left, it was 15-0. The Tigers had a bad game, but they aren't that bad a team, and on any given day can beat anybody on their schedule. An example is as follows - Elba fell behind Opp 2-0 in a game that was rained out, Daleville beat Opp 6-4, but then Elba beat Daleville! It couldn't make sense, but it does make it interesting.

In case you haven't heard, the regular softball league starts next week with action on 4 nights. Both leagues are strong and should be highly competitive, and that means plenty of action for the fans. Pick a team and support them!

## Around The Town

By Mrs. Nellie B. Martin

\*\*\*In Chateau Courts on Rucker Boulevard in Enterprise is the lovely townhouse of Jeanette Grantham and her youngsters, Lana and Shane.

She and the children feel right at home since they were given a memorable housewarming. All types of goodies in abundance were enjoyed by the guests from Elba and the general area.

There were Mr. and Mrs. Joe Coleyni, Mr. and Mrs. Homer Rice, Mr. and Mrs. Larry Miller, Mrs. Roland Smith, Mrs. June Dahlie, Misses Martha Ham, Barbara Turner, Dianne Parker, Sara Smith and Rita Kula.

Jeanette is a capable employee of Pensions and Security, and also attends night classes at Enterprise Junior College, maintaining a place on the Dean's List.

Our good wishes are showered upon you and yours, Jeanette. Do not worry about whether or not the sun will rise; be prepared to enjoy it!

\*\*\*Mrs. Elaine Thompson, a popular and efficient employee of the Elba Exchange Bank, was a visitor in Enterprise Sunday afternoon. She surprised Eddie, Jani, Tiffany and Wendy.

\*\*\*Mrs. F.H. Rainer of W. Davis Street, has returned to Elba after an extended visit in Georgia. She was a guest of Mr. and Mrs. Young W. Rainer of Albany. Then it was a most enjoyable stay with Martha in her lovely decorated apartment.

Martha is head of the Art department at Leesburg High School, Leesburg, Georgia.

\*\*\*For Kyle, the pride and joy of Jack and Sylvia Padgett, nothing excels going to Granddaddy Jones' house. Of course that means a visit to the cross the country home of Mr. and Mrs. Johnny Jones of Goodman Community.

Not many four-year-olds get to enjoy a tractor ride, see a cattle round-up, feed pigs, and gather eggs from the hen's nest, not to mention a ride in the back of a pickup truck across the pasture. Now that is first-class entertainment, including all the favorites that Mom Jones has ready in the kitchen.

Mr. and Mrs. Jones have learned it's so little of time and nature to make little ones like Kyle happy.

\*\*\*Mr. and Mrs. Charles Harris had their recent guest, Rev. and Mrs. Fred Boyette of Birmingham.

\*\*\*Mr. and Mrs. Bill Brooks, formerly of Jacksonville, Florida, who are the new manager and chef at the Bonaparte are welcome residents to Elba. Wednesday night they were dinner guests of Mrs. Nadine Fuller. Mike Parker of Dothan was visiting with his mother, Mrs. Fuller, also.

\*\*\*Mr. and Mrs. Buck Smart visited Gussie's brother and wife, Mr. and Mrs. Mack Stricklin of LaGrange, Georgia. Mr. Stricklin is a coronary patient in LaGrange Hospital. We are hoping that Gussie has had good news.

\*\*\*Sometimes I think I should appreciate my phone "acting up." I get so many surprises, like Mrs. W.W. Kelley on Brunson Circle. Despite the gloom and rain Wednesday, she celebrated her 84th birthday.

Several thoughtful people like Mr. and Mrs. James Kelley, Mr. Claude Hall, Rev. Dallas Bryant, of Faller Mill Church, dropped in for a visit. Too, she enjoyed Mrs. Verna Berry.

Our love and congratulations, Mrs. Kelley, and continue your active life and leave the outcome to God.

\*\*\*Mr. and Mrs. C.P. Blackmon of Brunson Circle enjoyed a visit from the Odom family of Opp.

\*\*\*When I approached Edsel and Treal Landingham of Smith Avenue (we used to be neighbors), about George, Doug and Debbie, I opened the book to a new story.

Doug and Virginia are residing in Huntsville. Being the top salesman for Lincoln National Insurance Company, Doug and Virginia will be enjoying the beaches in Hawaii for a week in April. Tim, Heather and Kelley will

be enjoying Grandmother Arnold's cooking and supervision while Dad and Mom are away. But they have fun! George, Gloria and Adam live in Madison, where George is in Civil Service, Aeronautics and Space Center at Redstone Arsenal. Gloria holds a responsible position with Wylie Laboratories in Madison.

Since Adam is a typical five-year-old, he enjoys Kindergarten and adds a spark of life to the Landingham household.

Well, found Debbie and Jerry Henderson in Montgomery. Jerry is a full-time employee with Blount Construction, while the capable Debbie helps to keep the Union Bank functioning properly.

\*\*\*The Toy Dyesses - Toy and Viola - always add the extra leaf to the table when the Andalusia folks come. Of course, they are Kimmy, Eleanor, Scott, Steve and Sharon.

Last Sunday they attended church with Toy and Viola. Scott was asked to play and sing, and he obliged with no appropriate numbers. Scott is 10 years old and plans to enter the musical field and major in Voice, where he will diligently apply his superior ability in the art of performing at the organ and the piano.

Give it your all, Scott - there are many more than Grandmother Viola that want to see you excel!

\*\*\*Mr. and Mrs. Jack Dickert of Brundage enjoyed Elba's own Mrs. Ola B. Kendrick, for a pleasant visit.

\*\*\*The Mike Russell family has been remembered by thoughtful relatives. Visiting with them were Mrs. Sharon Swain, Suzanne and Griffin, from Ft. Deposit, Mrs. Debbie May, Ginger and Christopher, from Auburn. From Birmingham there were Mr. and Mrs. Mack Holloway, Chuck and Jason.

Nancy's parents, Mr. and Mrs. Charles and Mrs. Charles, and other guests included in the Hollowsays' visit. To complete the family unit, the group chose Mrs. Estelle Hollowsay's kitchen for a sumptuous and most enjoyable meal.

\*\*\*Another of Elba's capable young ladies has made a gold-star record. She is none other than Elia Jean (Mrs. Ted) Vaughan.

Elia Jean has been employed at the A.S.C.S. office, Department of Agriculture, in New Brooklyn for a period of 25 years. She was chosen to represent Alabama at the Management Field Office Computer Center in Kansas City.

There were 18 other states represented at this five-day training session. They were housed in the luxurious Crown Center Hotel in downtown Kansas City. The colorful satin bed linens added to the room's decor, plus many other luxuries at their fingertips - or push-button experiences.

## Clark Tucker Celebrates Sixth Birthday

Clark Tucker, son of Mr. and Mrs. Jackie W. Tucker celebrated his sixth birthday with a party on April 5. Clark and his friends enjoyed an Easter theme including an Easter egg hunt.

Those attending were: Molly Logan, Amy and Bob King, Melissa Maddox, Amy Baker, Patrick Scarborough, Mandy Shirley, Leah Crowe, Stephanie and Chad Adkins, Dina Smith, Chris Parrish, Clint Martin, Heather Lawford, Wyndi McLendon, Robin Rhodes, Kyle Padgett, David Richburg, and Emily Strong.

A hamburger cookout concluded the occasion with grandparents and relatives.

On Saturday, April 12, from 10:00 - 11:30 a.m., a Coffee was held in the home of Mrs. C. P. Hayes, III. The Coffee was honoring Mrs. Mickey Murdock who has recently moved to Elba.

Hostesses for the event were: Mrs. C. P. Hayes, III; Mrs. A. C. Brunson, Jr.; and Mrs. H. D. Clark.

Sixty guests came to meet Mrs. Murdock. Mickey is employed at National Security and their two sons attend Elba school.

Following the wedding the guests enjoyed a buffet luncheon of stuffed mushrooms, chicken salad, ham, assorted sandwiches, fresh strawberries and other fruits.

The bride's mirrored table held the three-tiered wedding cake topped with a cluster of wedding bells covered with white satin and seed pearls.

Completing the bride's table was a central silver branched epergne with light-colored bouquets of yellow, lilac, and white spring flowers.

Mrs. Robert Burnin laded iced punch from a silver punch service encircled with the wedding flowers. Used on the punch table was a pale green floor-length cloth with a beige lace overlay.

Mrs. James Adkins presided at the bride's book. The table's floral appointment was a bouquet of all-white flowers.

Wedding guests from Elba were: Mr. and Mrs. Haywood Grimes, Mr. and Mrs. John Grimes, and Mr. and Mrs. Jack Brunson.

## Miss Mitchum Becomes Bride Of Mr. Harris

Miss Susan Mitchum and Charles Bruce Harris were wed Saturday, April 12, 1980, at a beautiful Noon wedding. The wedding took place before a large assemblage of families and friends, in the home of the bride's twin sister, Mrs. Timothy Neil Turnham on Graystone Lane in Auburn, Alabama.

Dr. Donald Watterson, former pastor of Cottage Hill Baptist Church in Mobile, and presently Director of the Baptist Sunday School Department, was officiating minister for the impressive double-ring ceremony.

Miss Mitchum is the daughter of Mr. and Mrs. William Alonza Mitchum, Jr., of Elba.

The bridegroom is the son of Robert Coleman Harris, Sr., and the late Wilma Longier Harris of Mobile.

An improvised altar in the spacious living room, was decorated with polished magnolia foliage and Boston ferns, and formed the exquisite bridal background. Identical arrangements of white anemones, daisy-white chrysanthemums and gypsophila adorned the wedding altar. Tropical plants and compositions of choice spring flowers placed within the reception room accentuated the happy occasion.

Mr. Turnham greeted the guests as they arrived.

Mrs. Turnham was her sister's honor matron and only attendant. Her floor-length gown of mauve slip silk tulle was designed with a graceful swing skirt of miniature pleats and a tiny tucked bodice, with spaghetti straps, and was worn with an over-the-head cape of matching waist-length chiffon. She carried a clutch bouquet of mauve colored cymbidium orchids with strands of English ivy, and wore stephanotis in her hair.

Mr. Harris was his son's best man. A musical ensemble provided the wedding music and nuptial selections were rendered preceding the ceremony.

As the bride entered on the arm of her father who gave her in marriage, "Eisa's Procession to the Cathedral," by Lohengrin.

Following the wedding the guests enjoyed a buffet luncheon of stuffed mushrooms, chicken salad, ham, assorted sandwiches, fresh strawberries and other fruits.

The bride's mirrored table held the three-tiered wedding cake topped with a cluster of wedding bells covered with white satin and seed pearls.

Completing the bride's table was a central silver branched epergne with light-colored bouquets of yellow, lilac, and white spring flowers.

## Magnolia Club Meets With Mrs. Martin

Mrs. Bill Martin and Mrs. M.V. Miles were co-hostesses for the Magnolia Garden Club in the home of Mrs. Martin, on April 3.

Delicious refreshments were served before the business session.

The president, Mrs. Stan Marsh, presided. Reports were given by officers and committee chairmen. Members discussed the care of the fountain at the clubhouse and other ways to help beautify Elba, and help in keeping the city free of "litter."

Mrs. Lister Brunson gave the program, using the subject, "Every Man's Guide to Ecological Living."

Members attending were Mrs. Ben Brock, Mrs. M.O. Bruckner, Mrs. Lister Brunson, Mrs. Sam Collier, Mrs. R.D. Easters, Mrs. L.F. Inman, Mrs. Everette Kelley, Mrs. Joe Martin, Mrs. Robert Marsh, Mrs. Stan Marsh, Mrs. M.V. Miles, Mrs. E.M. Watt, Mrs. Paul Windham, and Mrs. Bill Martin.

## Benefit To Be Held For Mrs. Cauley

The Deep South CB Club of Opp will sponsor a benefit sing in the Opp High School auditorium, on Saturday night, April 19. The entire proceeds from the sing will go to Mrs. Evelyn Carter Cauley, who has been stricken with cancer.

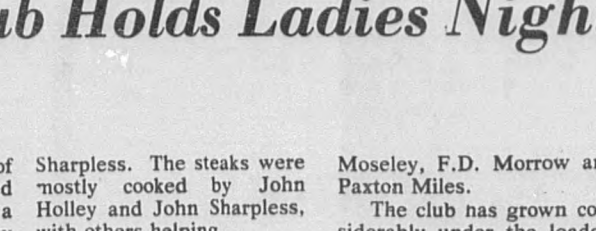

Evelyn, 38, is the daughter of Mr. and Mrs. Jeff Jackson of Opp, and has a daughter and two sons, ranging in age from 10 - 21. She has spent most of her life in Opp and worked as a nurse majoring in Medical Technology. Huntington is a Methodist-related, four-year liberal arts college with an enrollment of approximately 750 students.

Now, Evelyn has cancer of the cranial cavities, and according to doctors, will never be able to continue her career, says H.C. Bradley, the club's public relations director.

Featured in the sing will be the Old Timers Quartet of Andalusia, the Smith Family of Enterprise, and the Singing Dyess Family of Opp. It is also hoped that a class of Sacred Harp singers will be on the program.

These groups are contributing their time and singing without cost, and there will be no admission. However, CB Club members will be available to receive any amount of donations.

James Heath of WAMI Radio will be the MC.

Mr. and Mrs. Robert Carnley were honored on their golden wedding anniversary with a reception in their home Saturday, April 5, 1980.

Hosts for the occasion were their three sons and three daughters-in-law, Mr. and Mrs. George Carnley, Mr. and Mrs. Eugene Carnley, and Mrs. and Mrs. Ray Carnley. Their daughter, Mrs. Marie Hensley, of Winter Garden, Florida, was unable to attend the reception.

Prior to the reception, Mr. and Mrs. George Carnley, Michael, and Paul were hosts for a delicious barbecue lunch with all the trimmings at their home Saturday for all the family members.

At the anniversary reception, the guests were welcomed by Mrs. George Carnley.

## Mr. and Mrs. Carnley Honored On Golden Anniversary

Mr. and Mrs. Robert Carnley presided at the registry table which held the gold anniversary book and a yellow rose in a bud vase.

The dining table was covered with a white lace cloth with a gold cloth underneath. The beautiful three-tiered cake, decorated with yellow roses, was placed at one end of the table. The three tiers were separated by white columns and the third tier was adorned with a bride and groom standing before a gold background.

The punch bowl surrounded by yellow and white flowers interspersed among ivy was at the other end of the table. Two fifty anniversary candles containing gold burning tapers were placed in the center of the table. A crystal tray decorated in gold held nuts and mints.

Mrs. Lenard Gilley and Mrs. Jackie King served the cake and golden punch.

Mrs. George Sisson and Miss Diane Gilley presided in the gift room. Fifty guests registered during the chosen hours of 2-4 p.m.

Robert and Bernice Carnley were married on Saturday, April 5, 1930. They have spent their lives in Coffee County and now reside on Route One, Kinston, in the Fairview Community. Mr. and Mrs. Carnley have eleven grandchildren and one great grandson.

At the anniversary reception, the guests were welcomed by Mrs. George Carnley.

## Lions Club Holds Ladies Night Recently

Twenty-two members of the Elba Lions Club treated their wives and guests to a steak supper on Thursday night, March 27, at the American Legion building. Guests of the club were Fran C. Miles, his wife, Anne Miles, Zane Chairman, as five new Lions were inducted into the club.

The steaks were cooked on grills at the hut and served hot. Baked potatoes, cole slaw and home-made rolls were a delicious complement prepared by Ann, the wife of Pres. M.V. Miles. Iced tea was furnished by Buddy Brunson and Terry Calhoun. Delicious oatmeal cookies by Mrs. John Lowery, and ice by John Sharpless. The steaks were mostly cooked by John Holley and John Sharpless, with others helping.

The program and highlight of the meeting was an impressive ceremony conducted by Lion Fran C. Miles, Zane Chairman, as five new Lions were inducted into the club.

Earlier in the year three other new members were inducted. These were Dale Moseley, F.D. Morrow and Paxton Miles.

The club has grown considerably under the leadership of Dr. M.V. Miles as president during the present year. He has sponsored seven new members. Pictures were furnished by Dale Moseley.

The Coffee County Board of Education reserves the right to reject all bids.

## Library Week Observed

The Elba High School Library Council is observing National Library Week during the week of April 13-19, 1980. Several themes promoting National Library Week were submitted by the members of the EHS Library Council. Club members then voted and "Disco to the Library" was selected as the theme.

Bookmarks have been designed and printed to carry out the disco theme. Posters have been drawn, colored and lettered to promote interest in reading and other library activities. Bulletin boards are displayed in the library/media center and in

the junior and senior high school halls. Exhibits have also been built by various club members to be displayed in the library.

An interesting highlight of National Library Week for club members will be the attending of the district meeting of the Wiregrass Library Assistants Association in Headland on Thursday, April 17. There the posters and exhibits will be entered in competition.

The EHS Library Council cordially extends an invitation to all parents and interested citizens to visit the school's library facilities any time, but especially during National Library Week. As Andrew Long said, "The love of books; the Golden Key that opens the enchanted door."

## Elba Students Attend French Convention At University

The French Club of Elba High School attended the annual Alabama Federation of French Clubs Convention March 28 and 29 at the University of Alabama. Twenty-seven students were accompanied by Mrs. Sylvia Padgett, sponsor, Mrs. Jimmie Davis, Mr. John W. Sharpless and Miss Terri Davis.

Upon arrival at the University on Friday, Mrs. Padgett registered for the club. We then set up our exhibit and ate lunch. After lunch, we divided into groups to go to various discussion groups or a movie. The movie was entitled "The Marvelous Visit," which was in French with an English caption. The three discussion groups consisted of French cooking, a slide show of French Art, and a slide show of the streets of Paris.

After the discussion groups and movie were over, we were all reunited in the Ferguson Theatre for Level I individual competition. Representing our club was Michele Cox, who recited a French poem, "Dieu Pense a l'Homme." Immediately following Level I individual, most of the group went to the motel to register, while a few stayed in the Ferguson Theatre to hear Mark Bowers recite "Fous de Misere," representing our club in Level II individual competition.

When everyone arrived at the Sheraton University Inn, we all found a room and rested a while before we began preparation for the banquet. Finally, we all became beautiful and left for the banquet. As we approached the Ferguson Center Grand Ballroom, we each received a banquet ticket. Each of the undernourished students attacked the buffet and then each seated himself somewhere in the club's assigned area along one of the long tables. The menu consisted of Chicken Supreme, green beans, brown rice, tossed salad, Fruit Chantilly, rolls, relish tray, and chocolate eclairs.

Following the welcome was the response by Huffman High School and the introduction of the guest speaker by Lanier High School.

The entertainment was provided by Lanier High School, roll call of member clubs was led by Carver High School, and the awarding of door prizes was led by Lanier High School.

Following the banquet we all trotted down a path, over a railroad track, and through a few mud puddles to the Mineral Industries Building, where Level I group competition was held. Participating in our Level I skit, "La Guernon Phonétique," were Angie Holt, Marica Richburg and Erwin Gunnells.

After Level I group competition was the dance, which everyone had anticipated. The dance featured the "Just Ducky Disco" from Bonnie and Clyde's. It was a lot of fun, though it was somewhat crowded.

When we returned to the motel after a full night, we all gathered in Mrs. Padgett's and Mrs. Davis's room for a party. Everyone then supposedly went to bed. Saturday morning began with breakfast at Cowboy, the restaurant/lounge/disco, located in the motel.

After breakfast it was back to the Mineral Industries Building for Level II group competition. Representing Elba in this level were Sherri Smart, Candy Berry, Tammy Finner and Steve Cowart in "Un Homme d'Affaires."

Finally, everyone was assembled in the Ferguson Center Theatre for singing, presentation of awards, and installation of new officer clubs.

Elba won first place with its scrapbook, and third place with its exhibit.

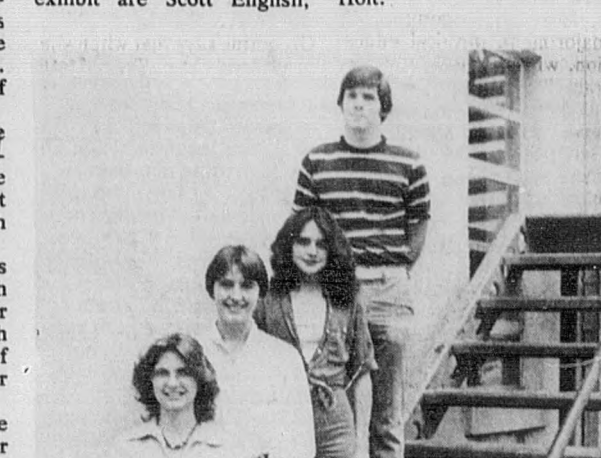

On our long trip home we stopped in Montgomery for a late lunch, and arrived in Elba late Saturday afternoon.

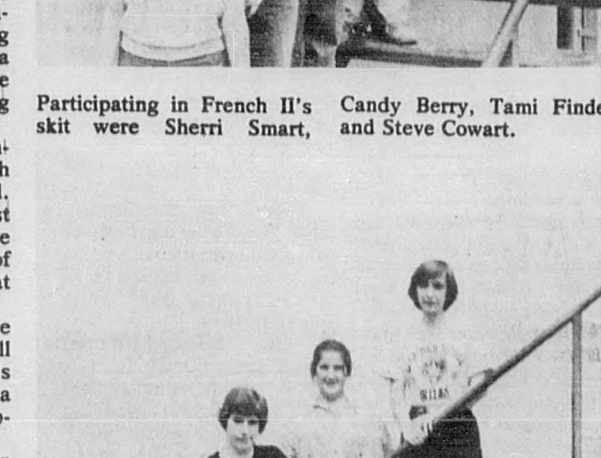

Pictured above are the students and teachers who attended French Convention.

Shown with Elba's 3rd-place exhibit are Scott English, Todd McCollough and Angie Holt.

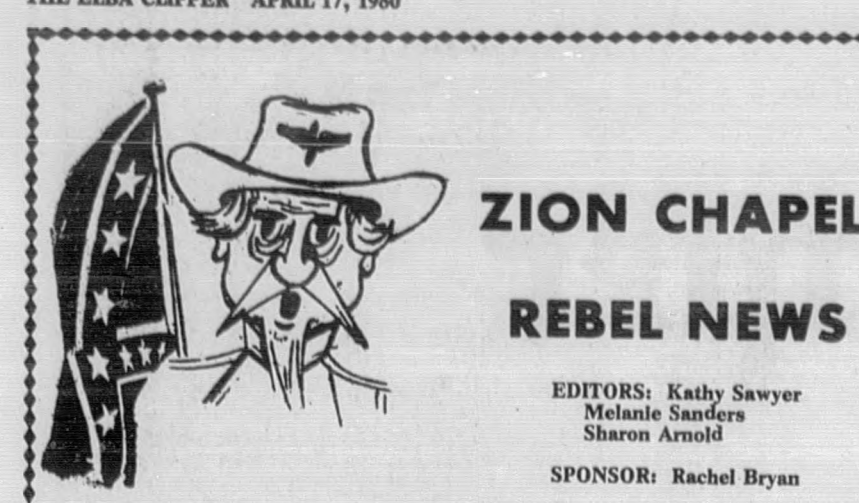

Participating in French II's skit were Sherri Smart, Candy Berry, Tammy Finner and Steve Cowart.

Participating in French I's skit were Erwin Gunnells, Angie Holt and Marica Richburg.

Representing Elba in individual competition were Mark Bowers and Michele Cox.

## Student Teacher Profile

By: Sherry White

This week our Student Teacher spotlight shines on Miss Nancy Gregorius.

She is 22 years of age and single. She lists her hobbies as water skiing, riding bikes, playing the guitar and reading.

As for the future Miss Gregorius says that when she started school at TSU she did not have women's athletic scholarships available so she participates as a walk-on.

She was also manager for the Women's Basketball Team. She states that when she graduates from TSU she hopes to go back to the high school she attended and teach physical education and coach women's athletics, especially volleyball, softball, and basketball.

That afternoon the band members in grades five through twelve went to New Brockton. Four members of the rhythm section of the Birmingham Symphony Orchestra demonstrated some of the different styles of music.

On April 3, the band members in grades seven through twelve went to Troy State University. Bands from Alabama, Florida, and Georgia were there participating in The Southern Invitational Concert Band Festival. During the time the band was there three junior high bands and one high school band performed.

The shampoo sale is almost over. A total of 562 bottles were sold. The top salesperson was Robin Day. Mystery house finders were Sharon Mobley, Kellie Sheffield, Kim Smith, Gail Richards, Chris Hodges, Robin Day and Ginger Routledge. The profits from this sale will go towards buying new equipment for the marching season.

The spring concert will be held Tuesday night, April 29, at 7:30 p.m. in the school gym.

Some of the different projects were as follows: the lungs, digestive system, eye, bladder, functions of the heart, urinary system, cow's skull, motor neuron, and human body system.

The projects grades were based on the idea of project, the amount of time spent on the project, and how the project relates to what the class studied.

## Poster Contest Winners Announced

By: Donna Rugg

The results of the poster contest, to get the students concerned about Southern Accreditation, were announced by Student Council Vice-President, Patricia Fair at an assembly held April 8.

The purpose of the assembly was to discuss the Southern Association Accreditation. The winners were: 1st place - Mrs. Powell's Senior Class, 2nd place - Mrs. Powell's Junior Class, 3rd place - Mrs. Powell's 8th grade and Coach Collins' 8th grade, 4th place - Mrs. Powell's 9th grade and Mrs. Lowery's Junior Class, and 5th place - Mrs. Powell's 10th grade.

The Student Council hopes that the assembly and the poster contest has really gotten everyone interested in Accreditation.

## History Projects Due

By: Mary Davis

In the ninth grade you are required to take Alabama History and at ZC the ninth grade students are lucky enough to have as their teacher, Mrs. Pat Powell. Just to make things more interesting and more challenging Mrs. Powell requires from one to two projects a year. Mrs. Powell hopes that the students will participate in the club competitions for the annual 4-H Public Speaking Contest.

On Friday morning, April 11th, Zion Chapel's 4th, 5th and 6th grade students will participate in the club competitions for the annual 4-H Public Speaking Contest.

Contentants include each member of the fifth grade with finalists Dedra Gatlin, Shelia Sawyer, Fran Chirico, Shelia Sawyer, Scott Chancellor, Brian McLeod, Connie Flowers, Keith Tidwell and

## NEWS from your PHARMACIST

BY: KRIS SCARBOROUGH

An individual who is allergic to a certain medication should carry a card in his wallet, or wear some other means of identification, such as an arm band. This is necessary in case the person suffers a seizure, or is injured in an accident and has to be treated by a physician who does not know the patient's history.

The carrying of identification was originated some years ago for diabetic patients. This has worked successfully for diabetics, and for those persons with allergies. If you should carry an identification card - do. Be safe, protect yourself.

### PASTOR'S CORNER

BISHOP ROCKIE A.  
ELBA CHURCH OF GOD OF PROPHECY

#### "God's Infinite Power Flowing Through Human Vessels Can Accomplish Task."

These are only a few examples but I think it is enough to prove to us that God's infinite power flowing through human vessels can accomplish any task. I believe that God can get the job done if we give him a vessel. This drama goes on for us in spiritual Israel—the church. God has chosen the church to be the instrument through which the world would know God. The church is destined and ordained by God to be the instrument for the world to know the unity and the majesty and the greatness of God. The Church is God's plan. Do you know what God's message would sound like this morning from Horeb to us the spiritual Israel? It would say, "My dove, my undefiled is but one; she is the only one of her mother, she is the choice one of her that bare her. The daughters saw her, and blessed her; yea, the queens and the concubines, and they praised her." (Song of Solomon 6:9). But we don't have to go to Mt. Horeb to hear it. We hear it from all around. Lift up these eyes round about, and behold: all these gather themselves together, and come to thee. As I live, saith the Lord, thou shalt surely clothe thee with them all, as with an ornament, and bind them on thee, as a bride doeth." (Isaiah 49:18). "Then thou shalt see, and flow together, and thine heart shall fear, and be enlarged; because the abun-

Marie Harwell  
Circle Meets  
Recently

The Marie Harwell Circle met Monday, April 7, in the home of Mary Anne Richburg. The hostess gave the devotion which was a poem selected from a book of personal poems written by Mrs. Pearl Sawyer of New Brockton. The poem was entitled "As a Man Thinketh, So is He."

Following the devotion, Jeanette Windham presided over the business session. The program for the evening was entitled "Ministering to Offenders and Their Families."

Case studies were discussed, of areas where people had ministered to prisoners, and the group in turn discussed ways whereby they as Christians could witness and minister to prisoners.

A social hour followed the program with a delicious plate served to the eleven members present. Those present included Bernice Nichols, Evelyn Reeves, Wayne White, Marie Wise, Janice Bell, Elizabeth Elliott, Sylvia Padgett, Totie Parrish, Helen Smith and Jeanette Windham.

Philip Martin, President of the Coffee County Farm Bureau, uses the two-way communications equipment which has been recently installed in the Extension Office in New Brockton.

equipment was provided for the Cooperative Extension Office by the Coffee County Farm Bureau. The equipment provides instant communication between the

office and extension agents, Tom Casady and Dan Presley. Looking on are Farm Bureau members, John Asher, Elba and Heber Clark of New Brockton.

## ALL AROUND COFFEE COUNTY

### County Farm Agent TOM CASADY

#### WHAT'S AHEAD

One of my good friends called me and said, "Tom, what's going to happen to the hog business?" My answer was that if history repeats itself, 1981 will be a good year for Coffee County hog producers. Throughout the nation hog numbers have built up. Experts thought the price slump would occur last September, but we think the lowest prices are occurring now.

What's happening now in hog prices has been coming for over 100 years—prices got good, growers expand, and we simply produce too much pork. Then many growers sell and go out of business or cut back. Then in a few months, prices go back up. The cycle just simply keeps repeating itself every three to four years.

I wish the stores would stop trying to make a killing on this delicious pork and get the price low enough to move it to the customer. I don't see much difference in the price now than it was several months ago when hogs were bringing 20 cents a pound more than they are now. What about it, wholesalers and retailers?

#### VISITORS

Not all of the people in Coffee County know about the excellent material which we have here at the Extension office. We have a lot of visitors and many of them are amazed at the information we have in fact, a lot of people come to see the bulletin display rack.

Elizabeth H. Wright, Farmers Home Administration (FmHA) State Director, said "President Carter's action will enable us to continue the Economic Emergency (EE) Program, not only through the remainder of this year, but through the next fiscal year as well. Although the EE Program was not due to end until May 15, we were just about out of funds when the President signed the bill on March 30."

The EE Program provides direct or guaranteed loans to farmers and ranchers who suffer economic hardship because of area or national economic conditions beyond their control. FmHA provided 345 loans totaling \$22,967,120 in Economic Emergency assistance to Alabama farmers last year.

Mrs. Wright said the new law immediately increases the ceiling on outstanding principle for EE loans nationwide from \$4 billion to \$6 billion. FmHA has already obligated the \$4 billion authorized under the Agriculture Credit Act of 1978. The additional \$2 billion will be allocated to the states, about half of it for use this year.

The new law requires that "credit elsewhere" criteria be enforced before an EE loan can be approved. Any application for an insured loan of \$300,000 or more must be accompanied by letters from at least two private lenders explaining why they turned down the request for a loan. FmHA expects to use the strengthened regulations within 30 to 60 days.

The new law also requires the Secretary of Agriculture to conduct a comprehensive study of the EE Loan Program and to recommend to Congress by March 31, 1981, whether or not the program should be extended beyond the September 30, 1981, expiration date.

We would like to express our deepest thanks and appreciation to our many friends for their concern shown during the illness of our baby. Words cannot express our feelings for all the calls, cards, and other expressions of love and kindness that we received. God bless all of you.

Sincerely,  
Chris and Tom Head

#### CATTLE OUTLOOK

Cattle prices have decreased dramatically on the kind of calves we grow here in Coffee County. Beef cattle experts say that feed lot operators in the West and high plains are very reluctant to put cattle on feed. Two things have happened: first, feeder cattle prices have increased very rapidly over the past few months. This, plus the dramatic increase in the interest rates, wiped out the finishers profit margin. While this was happening, the finishers could not see an increase in the price they would receive for fed cattle, so cattle feeding has slowed drastically in the last thirty days.

Most of our young calves, plus some of our stocker cattle, go to the feed lots. In other words, at the present time there is not as much demand for our calves as there was a couple of months ago.

This is an unusual situation in that we have had a dramatic decrease in the price of these young calves and stockers which is unrelated to the numbers on hand. It is very unusual to have a decrease in the price of these cattle at this time of year. We are in a time of unprecedented change!

#### EXTRA CARE

If ever there was a time to use extra care in applying herbicides in planting, this is the year. Every grower, in fact, a lot of people come to see the bulletin display rack.

## 4-H Food Programs Are Great!

These Coffee County 4-H club members know the value of good food as evidenced by the ribbons in their hands.

Participants in the Coffee County 4-H Foods Program are (from left front) Rhonda Weeks, Kinston; Judy Helms, Zion Chapel; Kim Dyess, Zion Chapel; Second row, Sandra Walker, New Brockton; Stephanie Johns, Elba; and Deborah Farris, Kinston.

We, in Coffee County, have heard a lot about winning within the past few months. Four-H's experience the thrill of winning just as do football teams and band! The County 4-H Foods Day was held recently in New Brockton. The two winners of the Sr. Breads Talk were Rhonda Weeks, Elba; and Deborah Farris, Kinston.

Prospects for continued growth in overseas shipments of grain makes a paid land diversion program for 1980 crops of wheat, corn and other feed grains unnecessary. The U. S. Department of Agriculture (USDA) announced.

"The Secretary of Agriculture recently said that our grain exports will be record levels this year and will continue to grow in the future," according to Robert Day, "Chairman of the Coffee County Agricultural Stabilization and Conservation (ASC) committee."

World production of grain declined in 1979/80, boosting the demand for U. S. crops. Feed grain exports are expected to reach a record 80 million tons this marketing year and wheat exports should hit 36 million tons, also a record amount.

Secretary Bergland said: "Suspended shipments of agricultural products to the Soviet Union have not fundamentally altered the longrange supply-demand picture for U. S. agriculture."

We made the commitment and have taken steps to offset the impacts on farm prices associated with the suspension of U. S. producers still have strong domestic and world markets for their farm output and prices are near levels expected before the suspension."

When stocking cattfish, the pond should be clear of trees and brush. All stumps and snags should be removed from the bottom of the pond. Such debris interferes with management.

Channel cattfish should be stocked at the rate of 700 to 1000 fingerlings per acre. If the pond depends only on runoff water, then stock only 700 to 1000 fingerlings per acre. If the pond has a water stream, flowing springs or wells to provide adequate supply of high quality water, 1500 to 2000 fingerlings per acre can be stocked. A few of the local cattfish fingerling producers are:

Easterling Fish Hatchery, Clio, AL, phone 397-4437; Aquacore Inc., P.O. Box 112, Enterprise, AL, 367-2896; Dawson Farms, Rt. 3, Elba, AL, phone 897-5338.

Although fingerlings may be stocked at any time, the recommended time is between October 15 to March 1. During the period of November 1 to March 1, cattfish should be fed every other day at the rate of 1 pound for every 100 pounds of cattfish. To determine the total weight of fish in the pond, take a sample of fish from the pond every 2 or 3 weeks. Weigh the fish and determine the average weight, then multiply that by the number of fish stocked per acre.

From March 1 to November 1 or until the water cools below 60 degrees F. in the fall, feed the fish at the rate of every 100 lbs. of cattfish. Feeding should be done the same time and place every day, either early in the morning or late in the afternoon, which is the best time to feed cattfish. Avoid over-feeding.

A number of commercial feeds for channel catfish are now available. Pelleted floating feeds offer many advantages over sinking pelleted feeds. They offer an

inline drive train for efficient power transfer and welded steel frames for ruggedness. Another great feature is the ability to "quick change" attachments so you take less time getting ready and spend more time getting the work done. You have the choice of gear, or hydrostatic transmissions with "memory" manual or hydraulic lift systems; rear power-take-off; 42", 48" and 54" cutting units; and 16 or 18 H.P. engines.

Shown with optional cutting unit.

## SOIL CONSERVATION NEWS

By: Melvin DeShazer, Soil Conservationist

#### FARM PONDS

Mrs. Mary Hooks of Elba recently built a family pond on her farm. The one-acre pond will be used for recreation and livestock water. Mrs. Hooks received assistance from the Soil Conservation Service in design and construction. She plans to stock her pond with channel cattfish.

When stocking cattfish, the pond should be clear of trees and brush. All stumps and snags should be removed from the bottom of the pond. Such debris interferes with management.

Channel cattfish should be stocked at the rate of 700 to 1000 fingerlings per acre. If the pond depends only on runoff water, then stock only 700 to 1000 fingerlings per acre.
